

Das Verständnis dieser Einschränkungen kann dem Verein helfen, seine Bemühungen auf Bereiche zu konzentrieren, in denen er den größten Einfluss hat.

External limitations (outside the Circle and Uncontrollable):

- Research:** This concerns everything that is out of ones control. Understanding the external factors that impact the boards decision-making helps me focus on areas where they have true control.
- Feedback Evaluation:** Acknowledge the existence of factors that are beyond the boards or associations control and practice acceptance where necessary.
- Identify Design Opportunity:** While the board or association may not be able to change these external circumstances, focusing on managing their/its response to them and mitigating any potential negative impacts on their/its goals.
